Pearl is a popular sports park offering a variety of options for youth and adults. Outdoor amenities include baseball, football, softball and soccer fields. This year TAAM invited Zoomobile of MN Zoo. Zoomobile Naturalists use live animals, biological artifacts, theater techniques, story telling, and audience participation to create a dynamic, personal, and fun program for all ages. TAAM will provide cookies and juice for the children. We encourage all children to draw a picture or write an essay about Ataturk and Turkiye so that we can display their work on [www.TAAM.org](http://www.TAAM.org).
